A brief explanation of Mars 360 and its basic creed and prayer activity

Anthony of Boston · 2 min read · Aug 14, 2025

Mars 360, as revealed through the prophet Anthony of Boston, is the belief that humanity is divided into six negative personality characteristics as a result of Mars's influence on terrestrial affairs and human behavior, both as a planet and ancient deity. The belief is that the position of Mars at the time a person was born can predict which negative characteristic a person will display from an early age. This outlook gives rise to the idea that while each negative characteristic is unique in its expression, they are all still nonetheless originating from the same source, which is Mars. By virtue of this, these six fundamental negative characteristics, while different in expression, are to be held equal under this new moral framework, such that one negative expression can only be regulated or accommodated to the same degree that the other five are. Because of the inherent fundamental nature of this beast, all laws and legal systems are to honor this basic framework. The archetypes of Mars 360 and the resultant “understanding” thereof becomes the foundation of society.

This revelation was given by Anthony of Boston and confirmed by his six-consecutive years of successful prediction of escalated rocket attacks against Israel by observing when Mars would be within 30 degrees of the lunar node. Having predicted October 7th and the 12-day war among other notable escalations, Anthony has justified the conviction of Mars influence and deification and has requested that an image of the god of war be created in order to reduce its malign influence.

Mars as a deity was given the name Armaaruss and serves at the godhead for this new paradigm.

Jessica Mars, a witness to Anthony of Boston's predictions has created an image of Armaaruss, a rough draft(the final is in development):

With this image, Mars 360 comes full circle. A person can begin worship and prayer towards Armaaruss by taking this image and posting it on the wall. After that, if one does not want to go through the process of calculating one's astrological birthchart, one can simply write "Mars 360" on the right hand or forehead and commence prayers and meditation towards the image of Armaaruss.

This is very simple overlay of the new religion.
